

CRASH! SET-UP

One game set per group of 4-6 people

PRINT GAME MATERIALS

Board (1) – print one color game board per group; two versions are available:

- 1) game board - finished size – 24 x 36 *or*
- 2) 4 – 11x17 sections which can be pieced together.

Laminate the game board to allow the use of wet erase markers.

Incident Cards (3 sets per board) – There are three different sets of incident cards, one set for each of the three departments. Each set is labeled and color coded to match the corresponding department. Print one set of each 9-up sheet per game board on 8-1/2 x 11 cardstock (3 - 8-1/2 x 11 sheets each – Fishing Boat, Warehouse & Sales; yields 27 cards per department). Finished size of cards – 2-7/8 x 3-3/4.

Monthly Incident Reports – Print one set on 8-1/2 x 11 cardstock. Cut to finished size – 5-1/2 x 8-1/2. Can be set up like a mini-flip chart. Before coil binding at the top 5-1/2 edge, place in the correct order of quarters and corresponding months (1st qtr, Jan, Feb, March, 2nd qtr, etc.).

Risk Reports (3) – Print one for each department (each report is labeled and color coded to match one of the three departments). 8-1/2 x 11. You may want to laminate these reports so they can be used again.
